2015 Legislation

AB 47 • McCarty

Preschool Funding

This bill would require, beginning January 1, 2017 and contingent upon sufficient funding provided in the state budget, all children in families below 75% of the state median income not served by transitional kindergarten or Head Start to have access to the State Preschool program the year before they enter kindergarten.

Last amended: 7/2/15

Consultant: Bryan Singh (916) 319-2007

Hearing: *Senate Appropriations 8/17*

AB 74 • Calderon

Community Care Licensing: Visits

This bill would require, beginning July 1, 2018, licensed community care facilities (including child care centers and family child care homes, but not foster family homes) to receive an annual unannounced visit instead of a visit at least once every five years and more frequent visits under certain circumstances. It would delete the increase of random inspections by 10% if the number of citations in a year increases by 10%. The bill would require foster family homes to be subject to announced inspections, random unannounced inspections of 20% of homes, and unannounced inspections of facilities in response to a complaint, a plan of correction, or other circumstance of concern. It would require visits to 30% of licensed facilities not subject to annual inspections by July 1, 2016, and require visits to 40% of those licensed facilities by July 1, 2017.

Child Care Licensing: Penalties

This bill would clarify the complaint process for residential care facilities for the elderly. It would require citations imposing higher penalties for

death, physical abuse or serious bodily injury to be approved by the program administrator of the Community Care Licensing Division instead of the Director of the Department of Social Services. The bill would have a written request for formal review of serious citations directly to the deputy director of the Community Care Licensing Division and not to a regional manager or the program administrator. It would establish processes to appeal other civil penalties and formal reviews of a finding of deficiency. The bill would eliminate the use of funds from licensing penalties for finding alternative care for children when a center or home license is suspended or revoked.
Amended 7/16/15: Technical.

SB 548 • de León Family Child Care: Representation

This bill would allow family child care providers to form, join, and participate in provider organizations and would allow them to elect a provider organization as the exclusive representative for family child care providers. It would establish the scope of representation and require state agencies to bargain in good faith with the representative. The bill would allow agreements to be codified in memoranda of understanding that would be binding on state agencies. It would allow the provider organization to collect dues as deductions from subsidy payments. The bill would require a report of best practices in engaging families in family child care settings by January 1, 2017. It would establish a Partnership on Child Care Training, Education, and Quality Improvement made up of representatives of the state and the provider organization to identify gaps in training and improve quality in family child care homes. The bill would require the joint committee to make recommendations annually and to address barriers for training and access to higher education for family child care providers.
